Welcome to the latest January 2016 Newsletter. This will be produced every 3-4 months and lists the most recent literature in the field.

Full text links are provided where available please login to Athens to access the article. If you do not have an NHS Open Athens account register at http://openathens.nice.org.uk

OEBH, HEFT and RWT now have an online document supply request form for requesting journal articles, leading to a faster and more efficient service. Register now at www.basedoc.co.uk. There may be a charge for this service.

If you cannot access the full text please contact your local trust library, who will be able to assist you. There may be a charge for this service. You may also access journals via www.evidence.nhs.uk using your Athens account.

To access the full text of these articles log in with your Athens password before clicking on the ‘Full Text’ links to make access seamless.
